The Collection of the School Tax in this ward differs from that of the City proper: the School Tax on the Belgibert Community is collected by the City. The Catholic School Commissioners of this municipality, by annexation By-Law to the City 39, October the 3rd 1883, have maintained the right to look after their own Schools, therefore the collection of the School Tax is made by them. Two years ago a certain portion of the ward, i.e. east side of Sherville from water side to Sherbrook, south side of Sherbrooke to Havre, and west side of Havre to River Side, has been detached from the ward and added to the City for School Tax purpose only; and the School Tax is levied by the City in that locality in the same way as that of the other wards.
