Committee

Respectfully Report,

On the Accompanying Applications,
(22 in Number) for the Office of Assistant Clerk of
Bonsecours Market, vacant by the resignation of
Mr. Olivier Lorange. That the Majority of the Applicants
are so highly recommended, and so well qualified for the
Office, that your Committee, experienced some difficulty
in selecting the Candidate to be recommended for the
Situation. After a Careful examination however, of
the testimonials produced by Mr. Philippe Benoit, and
a Mature Consideration of the Qualifications required
for the Office, Your Committee are satisfied that he is well
qualified to discharge its duties efficiently; and they
therefore recommend that the Appointment be conferred
on him. The whole Nevertheless respectfully submitted.

Le Comité des Marchés

à l'Honneur de faire rapport

Sur les applications soumissionnées avec les présentes (au nombre de 22) pour la place de Secrétaire assistant du Marché Bourgeois, vacante par la résignation de M^r Olivier Yoreux.

Que la majorité des applicants est si favorablement recommandée, et si bien qualifiée pour la situation, que votre Comité s'oppose à la difficulté à choisir le candidat à recommander pour la charge en question. cependant après un examen soigneux, des recommandations soumissionnées par M^r Philippe Bernier, et une mûre considération des qualifications requises pour la charge, votre Comité est satisfait qu'il est bien qualifié à en remplir les devoirs avec efficacité, et il recommande en conséquence que la situation lui soit donnée.

Le tout néanmoins respectueusement soumis

To the Mayor, Aldermen

in Council assembled,

The Petition of Ernest Adler and Daniel
Sexton both of the City of Montreal Butchers

Respectfully representeth

That they occupy Stalls in the
Bonsecours Market on both sides of the En-
trance from St. Paul Street facing St. Charles
Street.

That the spaces between these
Stalls and the Doors of the entrance have
been and still are used as depositories for
hides, offal and all kinds of matter inducing
a great amount of Dogs and creating a bad
and noxious smell to the annoyance and in-
convenience of the customers of your Petition-
ers and to their own detriment and discom-
fort.

Wherefore your Petitioners pray
that you may be pleased to allow
them to extend their Stalls to the sides
of the said entrance, in like manner
with those on the other side of the
Market, and thereby prevent a con-
tinuance of the nuisance referred to.
All which is respectfully submitted
