The undersigned hereby request you to call a public meeting of the inhabitants of the County of Missisquoi, at your earliest convenience, for the purpose of taking into consideration the present disturbed state of the country, especially of expressing their disapprobation of the conduct of His Excellency the Governor General, in having given his assent to the Rebellion Losses Bill, and of determining upon suitable measures to be adopted to procure Her Majesty's disallowance of said Bill, and the recall of His Excellency the Earl of Elgin from the administration of the Government of the Province of Canada.

GOD SAVE THE QUEEN.
