My Dear Sir,

Will you do me the  
 kindness of sending from the Society one  
 or two pounds of White Globe or Red Top  
 Turnip seed or any other kind by the  
 mail carrier as we are unable to procure  
 any Turnips seed here - or if more can be  
 spared and an opportunity offers of sending it  
 up the experiments would be much  
 accepted of your attention.

another — You have felt great uneasiness  
in consequence of not having received letters  
from Mr Felton for some time the last of which  
led us to expect his arrival here about the 10th  
of October. — I have sent an extract from your  
letter to Belvedere and will thank you to favour  
me by return of the mail with the latest  
intelligence

Dear Sir,

Some time in February  
last a portion of the Lot 16 in the Range  
of this Township was sold at Court  
Office to Mr. Goodhue with an intention  
of its being deeded for the support  
of Toussaint Alger a cripple a  
more pitiable object perhaps you  
never beheld which induces me to  
request the favor of being informed  
how soon possession can be obtained  
from

The present occupier who has  
hitherto enjoyed the use of the Property  
for the maintenance of the young man  
but which he has discontinued since  
the sale has been effected at the retaining  
deposits. I am also desirous of  
ascertaining whether the property now belonging  
for Hay can be secured for the support  
of this unfortunate should an ejectment  
be indispensable & the process extend  
beyond the season for making Hay.
