Dear Mr. Carswell:

In answer to your letter
of November 15th I would advise the lots I
hold in the Village of Saraguay bear
numbers as follows:

Roll No.	18		
Cadastre	114	114	114
Sub-Div.	16	17	18

I am detailing them as
above as I do not know how to arrange the
numbers in the small space following
Lot No. on the enclosed slip.

Previously I advised you
I follow the Roman Catholic faith but as the
taxes from the earlier bill had been allotted
I agreed to your assessment

Yours truly

Hope that you will help me to
straighten this error I remain
