

FIRE DEPARTMENT

REPORT OF THE CHIEF ENGINEER,

On the Fire which took place

1852-

1853. 1854. 1855 1856-7

FIRE DEPARTMENT, CORPORATION OF MONTREAL.

REPORT OF THE INSPECTOR, SUPERINTENDENT AND CHIEF ENGINEER,

On the Fire which took place on *Tuesday* the *19th* day of *October* 185*2*,

Locality.	Origin of the Fire as far as can be ascertained.	Extent of Property consumed, the names of the individuals to whom it belonged, estimated loss, whether it was covered by insurance, and at what office or offices.	Time and Order of Arrival of the respective Fire Engines, and under whose Command.	Remarks on the conduct of the Officers and Engine Men.	General Remarks on the Efficiency of the Water Works, &c.
<p><i>St. James Street, Lawrence Ward St. Charles P. M.</i></p>	<p><i>No trace whatever as to the origin of the fire.</i></p> <p><i>No fire had been in it from the 18th October @ 3^o P. M.</i></p>	<p><i>French School of Medicine Mr. Louis P. Martin, Physician had no insurance, his loss is about \$600. There was \$150 insured on the articles belonging to the School of Medicine.</i></p> <p><i>The house was not all burned, but is much damaged, Roof completely off, but a great deal of the interior was not on fire at all, it being one of the old French system built houses which is not easily burnt down, but when once on fire is not easily put out.</i></p>	<p><i>1st St. Charles Captain Lafage was early on the spot.</i></p> <p><i>3rd Union Capt. May</i></p> <p><i>3rd St. George & Saddle Capt. W. J. Smith</i></p> <p><i>4th St. Peter Captain Hammond</i></p> <p><i>5th St. Anne Capt. Moore</i></p> <p><i>6th Queen Capt. W. D. Craig</i></p>	<p><i>Good</i></p>	<p><i>There was little or no water in the pipes for 1/4 of an hour, and few watermen, so fire was allowed to burn with little check until the arrival of the water which then was good.</i></p>

Note.—This Report to be sent in to the Fire Committee, with the Company Reports immediately after each Fire.

Alex. Bertram
Inspector, Supt. and Chief Engineer.
