Mr Bouchette

Can the atty Genl say  
that we should under  
this rule adopt the English  
Certificate — and con-  
sequently the English law.

It will be of the greatest  
possible importance —  
I have several ap-  
plications on the sub-  
ject.

J. S. P. 1841

to be fortified with  
the Act of Parliament  
that I sh<sup>d</sup> cause cer-  
tificates to be given  
under the Imp<sup>l</sup> law  
in N. C. the same as  
at Quebec & at Montreal.

The amendment of  
the Navigation has opened  
a way for vessels down,  
and a register under

Imperial law will ena-  
ble ~~them~~ <sup>vessels</sup> to proceed to  
Halifax England  
etc. which they  
all wish to do.

The intention of  
the other plan is  
that parties are  
obliged to go down  
to Montreal to regis-  
ter.
