DÉBUT

Montreal, Que., October 20, 1909.

TO HIS HONOR THE MAYOR,
AND COUNCILLORS OF THE TOWN OF ST PAUL.

Gentlemen:-

I submit herewith complete Audit Report, covering Fiscal Year beginning May 1st., 1908 and ending April 30th., 1909.

I have seen that your Secretaries Bond is in order, and he has renewal receipt. I might also mention that your Secretary has not drawn any salary this Fiscal Year.

With a few minor alterations, I find the records are correct. Vouchers have been checked with amounts paid out and same are in order; accounts having been initialed before payment as required.

On referring to report herewith same will probably require some explanation, in order to make it clear.

First sheet: You have here total taxes collectible as taken from Collection Roll, for past three years for easy comparison, also total taxes collected and total arrears.

It will be seen that the arrears during the Fiscal Year 1908-1909 are greater than in 1907-1908 by \$954.62, although there were collected during 1908-1909 \$1738.56 more taxes than previous year.

You must not overlook, however, that you have a sum of \$5203.55 representing arrears for this period, which amount I consider somewhat large, although not a great deal more than existed in previous two years.

Second Sheet: You have here complete statement of cash receipts and disbursements and cash on hand.

Further details of receipts and disbursements are contained separately as to each Department in the additional statements.

I might state on looking into sewer tax records that there is a total amount of about \$24002.00 still due and nearly all payable at 6% interest and most of said amount dating from year 1899 for period of twenty years. It will be seen that this is quite an asset which should not be overlooked.

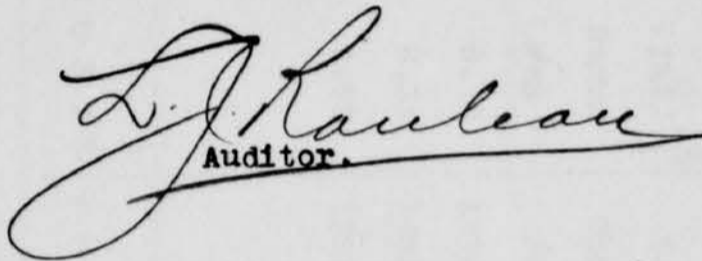

-2-

I would also call your attention to the amount of \$19,754.40 which is being carried forward on account of defunct Banque Ville-Marie. You will no doubt find that none of this amount is recoverable and as same has to be carried forward from year to year I would suggest that the Council pass a resolution to clear it from the books.

I desire to make comment on the condition of the records. They are in good order and kept clean, and considering the various numerous entries to be made very few small errors existed.

The entire report is respectfully submitted,

Yours truly,

Auditor.

Messieurs,

Je viens d'examiner la réclamation de Mons. le contracteur DORE au montant de \$383.85 pour charroyage de terre et divers. Après examen, je dois faire rapport à votre Conseil que le contrat de Mons. DORE en date du 27 Juillet dernier prévoit bien par la clause 6, le charroyage de surplus de terre des rues à macadamiser, mais il n'est pas pourvu par la terre qui manquerait.

Dans le cas qui nous occupe il y aurait eu assez de terre sur les lieux si les terrassements du parc n'avaient pas été faits à même le surplus de terre qu'il y avait là.

Pour la Corporation de St. Paul cela ne fait pas beaucoup de différence.

Je recommanderai donc que la réclamation de Mons. DORE ci-dessus soit payée - Les prix étant tout-à-fait acceptables.

Bien à vous,

V.
