The above represents the properties exempt from School Tax.... eliminated from the pages where they were entered originally for the purpose of balancing these — and for Keeping this class of property separate — it being afterwards added to the total as shown on page 5265.
The properties obliterated represent those exempted from both School Tax and Assessment, by the recent legislation to that effect.

The amount of the latter, which should be included in any Statement showing the total value of the property in the ward is $72,000 which, at 1% represents $720.00
