GOOD CITIZENSHIP
is a lot of little things

WELCOME OUR VISITORS!

Setting a new all-time record, millions of tourists visited Canada last year, spending almost a quarter billion dollars. This tremendous source of much-needed dollars is today more important to our economic life than ever before.

Each of us can share in building and maintaining our tourist trade by greeting our visitors in a neighborly way, by treating them fairly, by welcoming them as friends and making them feel at home. That's "Good Citizenship".

You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.
