

Messieurs,

Il n'y a que quelques jours  
encore nous n'espions réussissions pour  
déplorer ensemble la perte sensible que  
nous venions de faire dans la personne  
de notre habile et regretté Trésorier: ce  
sir nous avons la douleur d'enregistrer  
la mort prémaîture de notre estimable  
confrère, Monsieur Cyrille Archaubault,  
l'une de ces horribles catastrophes qui  
semblent défier la prévoyance humaine  
et qui malheureusement n'arrivent que  
trop souvent, nient d'enlever avec ce  
qu'il avait de plus cher au monde.

Le Conseil a voulu s'associer à la  
légitime douleur de la famille et je pourrai  
dire du public en général, en assistant  
en corps aux funérailles des défuntz,  
et je l'en félicite: mais je crains qu'il  
n'ait rien de plus que chose de plus  
pour honorer la mémoire du membre  
distingué dont nous avons été privé si  
inopinément. Durant le court espace  
de temps qu'il lui a été donné de siéger  
dans ce Conseil, Monsieur le Conseiller  
Archaubault a su, par ses talents et par  
les aimables qualités qui le distinguaient,  
se concilier l'estime et le respect de ses  
confrères, et je crains qu'il n'ait à propos de  
calquer dans nos mœurs un dernier

et bon voyage

A sympathique hommage à  
sa puérinité.

J'espére que quelque Membre  
vaudra bien soumettre à ce sujet  
une résolution qui, je n'en ai  
aucun doute, sera accueillie à  
l'unanimité

Mr Chamberlain's  
death

sullen

But a few days past we met together to deplore the sad loss of our able and respected City Treasurer: this evening it is our painful duty to register the premature death of our esteemed confere, Mr. Archambault, who, along with those dearest to his heart, has fallen a victim to one of those horrible accidents which seem to defy human foresight and are unfortunately of but too frequent occurrence. Desirous of showing their sympathy with the bereaved family and friends of their late confere, the Council, very properly, did attend, en corps, the funeral of the deceased. But I believe that some thing more is due to the memory of the distinguished member whose loss we all deplore.

During the short period he held a seat at this Board, Mr. Archambault has, by his talents and his ~~excessive~~ <sup>gentlemanly</sup> conduct, won the esteem and respect of his confere; and I think it becomes this Council to pay him a last tribute of respect by recording in our minutes the high sense we entertain of his eminent qualities and our deep regret for his loss.

I trust some member will submit a resolution to that effect, which I have no doubt will be carried unanimously.

City Hall,  
Montreal, 12<sup>th</sup> September 1865

I the undersigned Treasurer of the City of Montreal, do hereby certify, that I have faithfully fulfilled the obligations imposed upon me by the 6<sup>th</sup> Section of the Act 16 Vict. Chapter 26, Intituled "An Act to authorize the city of Montreal to raise a loan to consolidate their debt" and that in Conformity with the provisions thereof, I have this year taken out of the ~~Annual~~ revenues and funds of the Corporation of the Said City of Montreal, (from whatever source arising) and before the payment of any appropriation whatever of the Said revenues or funds, the sum of Thirty two thousand Dollars (\$32,000) which Said sum is equal to two percent on the outstanding Consolidated debt of the Said City, secured otherwise than by Bonds for terminable annuities, which said sum of money I have and do still keep apart from all other monies, to be invested and applied under the orders of the Said Council, Solely and exclusively as a sinking fund toward the extinction of that portion of the Said Consolidated debt, secured otherwise than by Bonds for terminable annuities — In testimony whereof I have hereunto signed and this certificate hath been countersigned by the Mayor of the said City of Montreal, in the City Hall of the said city, this twelfth day of September 1865.

from the City Treasurer  
to the effect that  
he has complied  
with the law in  
setting aside the  
required amount  
of sinking fund.

To The Mayor Aldermen and Citizens  
of the City of Montreal

The Memorial of the under-  
signed respectfully sheweth.

That Your Memorialists are pro-  
prietors of real estate on St Catherine  
Street, between St Simon and Moun-  
tain Streets, in the City of Montreal.

That in consequence of the widen-  
ing of part of St. Catherine Street aforesaid  
lying between St Charles Bar-  
romme and St. Laurence Streets in  
the St. Lawrence Ward in the said  
City of Montreal, the Assessors of the  
said City have prepared an Assessment  
Roll shewing the amount they con-  
sider should be contributed by the  
proprietors or parties interested, benefit-  
ted or to be benefitted by the said  
works or improvements.

That the Assessment Roll so made  
as last aforesaid is, in the opinion  
of your Memorialists, unjust, in-  
equitable, irregular and not such  
an assessment as is contemplated  
by law.

That

That the said Assessment Roll so made  
as aforesaid shews that all the proprie-  
tors of real estate on St. Catherine  
Street aforesaid having property be-  
tween St. Denis and Mountain Streets  
have been assessed at one and the  
same rate, whereas by the provisions of  
the Act of the Provincial legislature  
passed in the 27-28 Vic. chap 60 sec. 22  
it is provided as follows - it shall be the  
duty of the Assessors of the said City... to  
assess and apportion in such manner  
as to them may appear most reason-  
able and just, the sum or compensa-  
tion, indemnity damage and costs  
of such expropriation or improvement,  
in whole or in part, conformably to  
the resolution of the said Council,  
upon all and every the pieces or  
parcels of land or real estate which  
have been benefitted or may here-  
after be benefitted by such improve-  
ment; and the said Assessors shall  
for the purposes of the said improve-  
ment, base their valuation upon the  
actual value of the said pieces or  
parcels of land or real estate, in  
view of the said improvement.

That Your Memorialists are of  
opinion that the assessment made  
in this case, is not based upon  
the

the actual value of the said pieces of real estate in view of the said improvement.

That on reference to the said assessment roll it appears that more than two thirds of the costs of the said improvement is assessed upon property lying between St. George and Mountain Streets, whereas the property benefitted and to be benefitted by the said improvement is in that part of St. Catherine Street east of St. George Street aforesaid.

That the said improvement has in no way benefitted the property of your memorialists.

That the Assessors in preparing the said assessment roll have omitted therefrom several properties whose proprietors have as much right to be assessed as your memorialists.

That no assessment has been imposed upon property west of Mountain Street or east of St. Denis Street, for the said improvement, although the latter is directly benefitted by the said improvement.

Wherefore Your Memorialists respectfully submit that you will

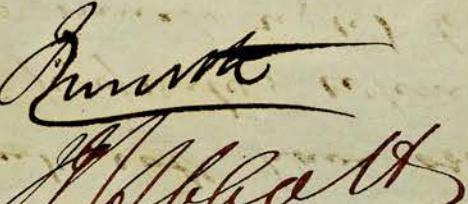

be

be pleased to take into consideration  
the irregularity, injustice & illegality of the  
said assessment roll, and that you  
will adopt such measures as will  
relieve them from the unjust burden  
thus placed upon them.

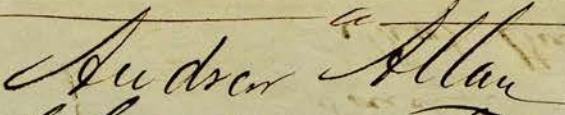

And your Missionaries as  
in duty bound will ever pray.

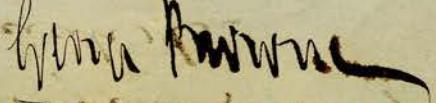

Montreal 7th September 1865.
