

My dear Chief Justice
Permit me to introduce
you to Mr Long - the son
of a gentleman greatly dis-
tinguished in this country
as a writer & the author
of many publications of
great ability.

Mr Long proposes to
settle in Canada & I
shall feel greatly obliged

010000

if you could give I him
any information or advice
I have no doubt but where
ever he shall settle he
will be a very valuable
companion & a useful
neighbour.

Ever since I had
seen you I have been
like a lost in a

Order book - continually going
a circuit & sitting almost
almost day by day throughout
the year - working I believe
a greater number of days
in the year in sight of
the public than any Judge
ever did. For five years
& six months I have not
sailed & hold from 16
to 22 courts in a month

Archives de la Ville de Montréal

except on one occasion when
I was stopped by a snow drift

With you please to present
my very respectful remem-
berances to Lady La Fontaine &
to Mr. Berthelot & his father

Yours very faithfully
Edmund Burke
