Dear Mr Mayor,

Mr Broccoli has asked me to thank you for your words of congratulations and to let you know that he has made particular note of your request that Montreal be considered for a major location site for an up-coming Bond film.

I am particularly aware of your Expo site, having visited every corner of it in 1969, when it was being considered as a location for a Twentieth Century Fox film. I have stressed to Mr Broccoli the many values of your city.

If in the future a Bond script is being developed that calls for a city of especial scenic potential, I can assure you that Montreal will be discussed.

Yours sincerely,

Charles P. Juroe
