London 8th May 1824.

Sir,

We have received your favor of the 5th inst. inclosing a Check for £46. 18. 11 and your receipt to our Mr. Debarate for balance due you by Mrs. Condenselden, viz £12. 6. 7, making altogether £59. 5. 6 being the amount of your account, for which you have a receipt herewith inclosed, and We beg leave to offer you our thanks in meeting thus our views.

When we first published the Gazette, we applied to Mr. Neilson for his rates, but he declined to give us any communication on the subject. We obtained from Mr. Sheriff Sewell one of Mr. Neilson's account to which we endeavored to conform ourselves as much as possible, we make it a rule to deduct 3 or 4 lines upon each advertisement, on account of our lines being shorter. However, if you will have the goodness to transmit us a Copy of your Tariff, we have no objection to conform ourselves to it, and in the mean time We are very willing to account to you for any loss you may sustain upon the account already furnished. The rates upon

upon which we go and as follows:

for 3 insertions 9. 10 line	
— 2 — — 7 — —	so
— 1 — — 4 — —	so

we count the English

version and take it for granted that the French is equal in the number of lines.

We have the honor to be with due regard

Sir

your most obedient
and very humble servants
