The other day I sent the necessary Papers
to your Office in order to get an Indian pass
for Francis Cayeau of Montreal; if it be
ready there is a private opportunity for that
pass by whom it may be sent Postage free.
Perhaps there are some more forms to be
complied with at Montreal before said pass
can be had, in that case, please let me know
that I may write Cayeau the needful on that
head. I am

Sir

your most Humble Serv^t

Mr. Ruvren will let me
know any message you
please to send me, this afternoon
