I have to acknowledge the receipt of your letter of the 24<sup>th</sup> instant. I am sorry to say your contingent account for the Half year ending the 15<sup>th</sup> April is not to be found either in this office or that of the Inspector General nor do I recollect its ever coming to my hands -

I do not conceive it to be necessary that you should send more than two extracts of fines one for the Receiver Genl and the other for the Inspector Genl of Public Accounts -

I hope you will be able to furnish me with a list that may tend to point out what is become of the missing amount as I cannot believe it is really lost.
