Windsor 26<sup>th</sup> Sept

2G2479 D 20615 1841.

My dear Sir

I shall be ver-  
ceedingly obliged  
to you for the  
draft of such a  
Bill as you think  
would be benefi-  
al on the subject  
of gambling;

The Enclosure

has secured any  
influence over the  
Legislature in this  
Country; but I  
shall be ready to  
give all the support  
I am in my power  
to a measure calculated  
to diminish  
the vicious  
practice of gaming  
with cordial

thanks for the in-  
terest that you  
take in the welfare  
of the Community  
by showing the  
world to be yours  
very sincerely

W. McKeefe
