Dear Sir

2G 2492^D 40660

I have had occasion this day to see Thomas Mellish and as he has not the money, he offers me a security upon his Incom the Title Deeds of which he says are in your Office, may I therefore beg that you will be so good as to send them up to my House, where he now is in custody of Mr. Snow and that you will be so obliging as to let me know if there is any Mortgage on it, other than is contained in the said Deeds. I hope you will excuse this trouble as so unreasonable an hour & that you will assure yourself I shall always be ready, when in my power to return you any service

I am Dear Sir
